

Town of Gypsum

Outdoor Watering Schedule

The Town of Gypsum is establishing an outdoor watering schedule due to the unusually low snowpack this winter, which is signaling potential water shortages ahead for the coming spring and summer.

- **Follow the required watering schedule**, based on the last digit of your street address.
- **Water early or late**, before 8 a.m. or after 6 p.m. to minimize evaporation.
- **Water only when needed.** Skip days if rain is in the forecast or if soil is still moist.
- **Adjust irrigation zones** for the actual needs of your plants.
- **Avoid Runoff.** Water running into the street or gutter is wasteful.
- **Sticking to the schedule** can help plants and lawns have the best chance of absorbing the water and save you from paying for water that will literally disappear into the air.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
EVEN	NO OUTDOOR WATERING	ODD	EVEN	ODD	EVEN	ODD
NO OUTDOOR WATERING BETWEEN 8 A.M. AND 6 P.M.						

***A Drought Surcharge of 20% may be assessed on your bill during the drought period.**

Some large water users (schools, parks, HOA’s) may have established watering schedules that are different than residential.

Penalty assessment fines.

1. First offense: Warning
2. Second offense: Fifty dollar (\$50) fine.
3. Third offense: One hundred dollars (\$100) fine.
4. Subsequent offense: The municipal court may impose such fines and penalties as it is authorized pursuant to municipal code 13.01.070
